The Court made the following :

O R D E R:

This writ petition is filed seeking a writ of Mandamus to declare the action of the respondents in trying to disconnect the electricity service connections given to the house of the petitioners situated at H.No.86-26-15/4, Rajahmundry town and also the electricity service connections of the lodge belonging to the petitioners.

It is the case of the petitioners that the respondents are taking steps to disconnect the power supply on the ground that the petitioners have to pay the arrears in respect of the service connection given to Sai Plastic Industry of which one of the petitioners is a partner.

It is stated that subsequently as the electricity supply was disconnected, the petitioners filed another writ petition being W.P.No.20637 of 1999 seeking restoration of power supply. So far as this writ petition is concerned, it has been filed only on the ground that the respondents are trying to disconnect the power supply. In view of the subsequent events of disconnection and filing of another writ petition, the present writ petition has become infructuous.

In this view of the matter, the writ petition is dismissed as having become infructuous. No order as to costs.
